PAVILION RESERVATIONS: The City of St. Charles has pavilions, which may be reserved in many of our City Parks. A rental fee & deposit are required. For reservations or more information, please contact City Hall either by phone or in person. * New this year – reservations may be submitted for approval online at www.stcharlesmn.org (under facility rentals).

PICNIC TABLE RENTAL: There will be 4 picnic tables available for a small rental fee of \$10.00 per/table. They can be reserved by stopping at City Hall or contacting City Hall at (507)932-3020.

CANCELLATION ANNOUNCEMENTS: All Park/Recreation program related activities that are cancelled will be announced on KTTC, on www.facebook.com/stcharlesmn/ & on www.stcharlesmn.org

HAT/HELMET POLICY: For the protection of the youth, we require all t-ball, girl's softball & boy's baseball players to wear both hats and helmets when batting. Helmets are to be worn for player safety & hats are worn to help control the spread of lice.

REGISTRATION INFORMATION: Everyone wishing to participate in a Park/Recreation program must complete a registration form/waiver & return it to the Park/Recreation Department at City Hall or Elementary School Office or online line at www.stcharlesmn.org by the program deadline.

VOLUNTEER COACHES: In an effort to create more family involvement, the girl's softball & boy's baseball programs will be played on weekday evenings. The Park/Recreation Department is seeking adult volunteers to coach those teams. Teams may have more than one coach. Coaches will be expected to exemplify the Park/Recreation philosophy & model positive sportsmanship. If you are interested in coaching, please contact Rick Schaber (932-3020) as soon as possible.

SUMMER PROGRAMS

GOAL & INTENT: The Park/Recreation Department's goal for each program is to provide participants with the opportunity to learn the basic skills & strategies of the game. It is not our intent to have a "win at all cost" attitude. Our staff will do their best to allow equal playing time. With that being said, it is nearly impossible to have exactly equal playing time. "Kids would rather play & lose, than not play & win".
